

# NO MMP

NO to Party lists. NO to Party deals. NO to MMP.

On October 10, as part of the Provincial election, Ontarians will be asked if they want to replace our existing electoral system “First Past the Post” with a “Mixed Member Proportional” (MMP) system.

## The existing system First Past the Post:

- Direct election of all representatives.
- Open and transparent.
- Easy to understand.
- Provides effective, accountable government.
- Tried, tested and true.

## The Mixed Member Proportional system (MMP):

- A loss of 17 local representatives.
- 39 “list” politicians accountable only to political parties, not you.
- Backroom deals, creating virtually permanent minority or coalition government.
- Expensive, confusing, unfair.

## Sample Ballot (not for voting purposes)
